# Profile

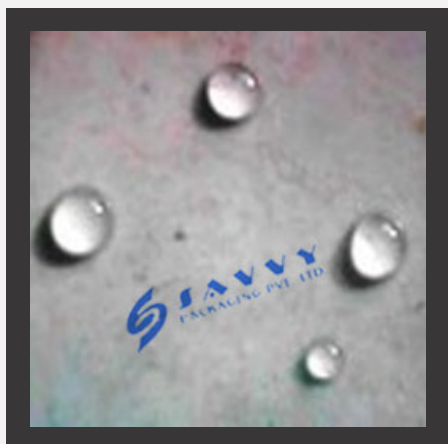

Incepted in **1999**, at **Nashik (Maharashtra, India)**, we, “**Savvy Packaging Private Limited**,” are listed amidst the most renowned manufacturers, importers and exporters of a comprehensive assortment of **Flexible Packaging Material** which includes **Release Liner, Poly Coated Kraft Paper, Poly Coated Cup Stock Board, Poly Coated Stiffener Paper, Poly Coated Consumer Packaging Material, Poly Coated Glassine Paper, Poly Coated Non Woven Cloth, Photophobic Poly Coated Paper for Imaging Industry, Paper With Aluminum Foil Laminate**, etc. These products are manufactured using the best grade basic material and sophisticated technology in accordance with the set industry standards. Our offered products are comprehensively acknowledged due to their prime attributes such as supreme quality, durability, smooth finish, Eco-friendliness etc. Apart from this, our offered products are available in various technical specifications and other related specifications as per the diverse requirements of our esteemed clients. We have hired an adept team of quality controllers who check the entire range before the final dispatch to the clients. These products are stringently tested on well-defined parameters by our quality controllers using advanced testing machines and tools. We regularly upgrade the installed machines, equipments and tool in order to ensure their quality and durability. Further, we have constructed a spacious warehousing unit in order to store raw material and final products safely. This warehouse is equipped with all the required facilities that help us to keep these products in secured and well-organized manner. Our wide distribution network, client’s centric approach, on time delivery, competitive pricing and easy payment modes make us competent to become the preferred choice of our clients and achieve the utmost position in the industry.
